

June 8, 2011
Cooper County Health Lifestyle
Meeting Minutes

Attendance: Art Schneider, Kristin Finder, Mandy Dixon, Paul Davis, Melanie Hein, Casey Johnson, Larry Dickerson, and Theresa Hendrix

- Art Schneider Facilitated today's meeting.
- Larry Dickerson provided Strategy Project Papers to the group members present and will send out digital copies to all the members. These project papers are to help facilitate the individual working groups established in May to help achieve their goals. Groups were; Policy Research, Hospital Programs and Smoking Goals. He then gave a working explanation of how these strategy project papers serve as a plan of action. Each group should spend no more than 30-40 minutes on each strategy.
- July 13th will be the next Lifestyle meeting and Larry Dickerson will plan to be help to help facilitate the Strategy project papers.
- Theresa Hendrix gave a progress report on the walking trails survey. Survey's can be turned into her or Jack at the YMCA no later than June 14th. They are due to Trey in Columbia by June 15, 2011. Estimated amount of surveys to be turned in is 50+.
- Art Schneider and group presented surveys that were completed. They then worked together to complete remaining businesses that were on the survey list with a level score. He will be correlating them and putting them on the website.
- Mandy Dixon and art Schneider asked for any comment or requested changes on the smoking survey as an error had been noted. The word patron should be substituted with employee on question # 4.

Meeting adjourned at 1:30pm

At 1:30pm Art Schneider, reconvened potential grant application meeting with Theresa Hendrix, Vanessa Dorman, Pete Rodman, Allen Waldo and Melanie Hein. They reviewed options for possible funding thru MFFH for a \$75,000.00. The grant would pursue obesity prevention and advocacy. Meeting adjourned at 2:20 PM.
